**SUPPORTING THE CUMBERLAND TRAIL**

## FRIENDS OF SOUTH CUMBERLAND STATE PARK AWARDED EVAN MEANS GRANT

Tennessee Trails Association (TTA) awarded an Evan Means Grant to the Friends of South Cumberland State Park (FSC) on August 21, helping fund an FSC initiative to install custom mileage marker/location identifier medallions on nearly 87 miles of trail in South Cumberland State Park (SCSP). The medallions will improve hiker locational awareness and safety, while assisting in Rangers' rescue efforts. This system of color-coded markers will also make possible more detailed trail maps.

Pictured at South Cumberland State Park's Information & Welcome Center trailhead are (L-R): FSC Trail Friends Area Coordinator Marietta Poteet; TTA Evan Means Grant Committee Chair Joan Hartvigsen; SCSP Manager George Shinn; SCSP Assistant Manager Bill Knapp; FSC Trails Committee Chair Bruce Blohm; and (kneeling) SCSP Ranger Jessie DeRight. They are each holding samples of the trail marker medallions, which will be acquired with the TTA grant.

TTA established the Evan Means Grant program to honor Evan Means, one of the co-founders of Tennessee Trails Association, in 1968. The Grant program is for trail-related volunteer projects on public land. Applications can be found in the left column of the TTA Website under "grants." Please email completed applications to Joan Hartvigsen, [jhartvigs@comcast.net](mailto:jhartvigs@comcast.net).

## **2020 Chapter Spotlight**

We are all saddened about missing the Annual Meeting this year. Part of the Annual Meeting always includes a brief report from the Chapter Chairs or Reps. We would like to highlight all the good work that is being done by each Chapter, especially in these difficult times. Enjoy these contributions from our chapters and we look forward to hearing from all of them in person at next year's Annual Meeting, Montgomery Bell SP, October, 2021.

### **Clarksville Chapter, Philip Anderson, Chapter Officer**

Our chapter had numerous hikes prior to the COVID 19 shutdown. We camped overnight at LBL, Dover, TN, and Walls of Jericho. We participated in trail building at Dunbar Cave State Park. Our chapter currently has a checking balance of \$1,961.81, and a current savings balance of \$407.97. Considering all the setbacks with the pandemic situation our chapter has had a good year!

### **Columbia/Franklin Chapter, Jane Coffey, Marvin Caine, Chapter Officers**

Here are two memorable hikes from our chapter:

November 2019 – Preservation Park – Thompson's Station, TN

This is the newest addition to Thompson's Station Park District hiking trail system. It is a rustic trail with some exertion but not totally dramatic.

January 2020 – Timberland Park – Williamson County Park System.

Everyone seems to enjoy hiking Timberland simply because it geographically located to our chapter and it is a good physical hike. It is a hike where people can bring their kids along and they will enjoy it as well. COVID-19 marred hiking plans for many months. We hope to get back out there shortly.

### **Highland Rim Chapter submitted by Joan Harvtvigsen**

The Feb. annual Chilly Chili Hike was on the Caldwell Rim Trail in Sewanee followed by a chili dinner at the Poteet's home. The Highland Rim Chapter used State Park picnic pavilions for programs including hiking the new Story Book Trail at Tims Ford Lake, an after-dinner hike through May Prairie at Old Stone Fort, a wildlife program by LouAnn Partington at Tims Ford State Park, and hiking the Overlook Trail at Tims Ford SP. Work days at Short Springs State Natural Area in Tullahoma are held 4 times per year. In September we went to Devils Fork State Park, SC for lakeside camping. Fun activities included a boat tour, waterfall hikes, kayaking, sunset and moonlight paddling. October camping along the shores of the TN River, hiking in Nathan Bedford Forest and paddling are planned. We have enjoyed many day hikes including South Cumberland State Park, Walls of Jericho, Old Stone Fort and Tims Ford. Backpacking in Big South Fork, Kayaking, camping on two islands in September are some of our many activities. We often join with the Murfreesboro Chapter, Upper Cumberland Chapter and the Jackson Chapter to offer joint outings.

### **Jackson TTA, Melinda Pearson, Chapter Officer**

The initiative, leadership, and resource contributions of our chapter members produced an outstanding year of events to publicize TTA/Jackson in west TN. Our booth exhibition at the Jackson International Festival attracted scores of visitors last fall. In February, two chapter members were interview guests on a local radio talk show exclusive to TTA and TTA/Jackson. This month we have concluded a project that raises awareness of TTA/Jackson while supporting and honoring our hospital COVID care staff. A special shout out to the West TN Regional TTA Board Director who has greatly assisted us. We have hiked as we could around severe COVID limitations.

### **Murfreesboro Chapter, Jeanne Conatser and Sara Kennedy, Chapter Officers**

The Murfreesboro Chapter saw Jeanne Conatser and Sara Kennedy come in as Co- Chairs...just in time for pandemic shutdown! We managed a few fun hikes, both easy and hard, to lakes and caves, a couple of good paddle trips, and helped dig out an old overgrown kids' area at Barfield Park. We've had some diverse guest speakers - some good stretching with a teacher from MTSU, the manager from Avian Glen Winery, a naturalist from Barfield Park with venomous snakes, and a vet tech and dog trainer discussing hiking with our four- leggers. Wow- I guess we've been busier than I thought!

## **2020 Chapter Spotlight**

### **Nashville Chapter, Doug Burroughs, Chapter Officer**

We have resumed scheduling hikes since the Covid-19 lockdown ended, and we are conducting some of our monthly meetings with slide presentations on Zoom. We are also continuing to get the TTA Newsletter put together and mailed out to our subscribers by using smaller teams of volunteers and by having the collating completed by our new printer. We, along with Sumner Trails, arranged to reschedule our planning for the TTA Annual Meeting to October 2021.

### **Plateau Chapter, Norman Brinsley, Chapter Officer**

At our December Christmas party, Norm Brinsley was elected Chapter Chair and Clark Zedric, Chapter Treasurer. Monthly meetings included a New Zealand travelogue from 2 of our hikers and a presentation on TN Bird Calls by a Park Ranger. In March meetings were canceled due to COVID and monthly summaries and quarterly newsletters were issued to inform the chapter about activities. We had around 6 hikes per month around the Cumberland Plateau including Honey Creek, Eye-Of the Needle, and Mushroom Rock. Out of state hikes included Big Bend, TX and Tallulah Gorge, GA. A fall hike is planned in Linville, NC. We had trail maintenance and picnic on Black Mt. in June with follow up work in Sept. Several members participated in a walking class on "Wild Edibles" conducted by John Ford, local expert. The chapter donated money to support the Davis House in Dog Cove and Emergency Rescue Squad. Membership increased from 45 to 54 people during the period. Chapter finances remain stable.

### **Soddy Daisy Chapter, Jean Smith, Chapter Officer**

The TTA Soddy Daisy Chapter maintained an active hiking schedule throughout the months of November 2019 through October 2020. Trish Appleton as Hike Coordinator spearheaded the club hiking new trails. She provided maps, advice, and suggestions that encouraged members to expand their horizons and confidence to venture into new vistas. Within this time period, the club hiked Pickett CCC Memorial State Park, Bald River Falls, Brady Mountain, Keown Falls and John's Mountain, Fort Oglethorpe, Black Mountain, Quinn Springs and Oswald Dome, Turtletown Creek Falls, Heiss Mountain, and Benton Falls just to name a few of those adventures. Turtletown Creek Falls and Pickett State Park have become favorites with members. With Trish's guidance, the club expanded its repertoire of hiking trails and developed new hike leaders. The Fall Away Hike in November 5 - 7, 2019 was held at Pickett State Park and organized by Donna Pyers, Social Coordinator and Trish Appleton. Donna also coordinated the club's holiday dinner in January 2020. This proved to be a relaxing time to catch up with other members and greet the new year. Little did we know it would be our last social gathering. The Soddy Daisy Chapter continues to hike during the Covid-19 pandemic. The safety of our chapter members, the public, and CDC guidelines frame all decisions on how we approach hiking. Our Blog Coordinator Earl Helmer provides us a window to club hikes with pictures and commentary from the hikers. Welcome new officers Jane Ellet, Chapter Chair, Bob McGavock Hike Coordinator.

### **Sumner Trails Chapter, Duane Frichtl, Board Representative**

Greetings from the Sumner Trails Chapter! We are a group of around 50 members from the Gallatin, Hendersonville, White House area. We schedule several hikes monthly with a variety of difficulty and points of interest. Last year, some of our favorite hikes were to Fall Creek Falls, Stone Door, Dunbar Cave and Winding Stairs. Other group activities included a kayak trip, a tour of the historic Omohundro Water Plant, and The Hermitage. Our members volunteered as trail guides for the Batey Farm Community Day. Social activities last year included our annual weekend getaway to the Rugby area, a wonderful Christmas party with live cello music, trivia nights, and many shared meals after hikes. Officers are Marcia Powell, co-chair, Jenny Fitzgerald, co-chair and hike coordinator, John Jones, treasurer, Judy Jenkins, communications, and Duane Frichtl, chapter representative. Come join your friends at Sumner Trails anytime!

### **Upper Cumberland Chapter, Cathy Moran, Hike Coordinator**

The Upper Cumberland annual Christmas party was a great success. After hiking the lake trail at Cumberland Mountain State Park, we ate at the Restaurant and Visited, ate and played games. A Christmas story was read and when the word *left* was said you passed a gift to left and *right* you passed to right. We had many members attend and we all had a great time. A wonderful group but we have pulled back during this uncertain time. A few independent hikes but still social distancing.

## Cumberland Trails Conference

**Office Location:** 409 Thurman Avenue, Ste 102  
Crossville, TN 38555  
**Office Hours:** Tuesday – Friday  
10 am – 3 pm CT  
**Phone:** 931-456-6259

**Email:** [ctcoffice2014@gmail.com](mailto:ctcoffice2014@gmail.com)  
**Website:** [www.cumberlandtrail.org](http://www.cumberlandtrail.org)

Despite these uncertain times with COVID-19, the Cumberland Trails Conference has made great strides to complete segments of the Cumberland Trail core corridor. In August, the Central crew completed a section in the Catoosa Wildlife Management Area. This section of the Cumberland Trail is part of the Obed Wild and Scenic River Segment and runs from Peavine Road to the Devil's Breakfast Table in Catoosa WMA. The new trail through the Catoosa Wildlife Management Area is 6.3 miles in distance and crosses Keyes-Harrison Wildlife Management Area and features a primitive camping site south of McGinnis Branch.

In the meantime, the CTC Southern crew has been working to complete the Stinging Fork to Hinch Mountain section of the Cumberland Trail. They expect this almost 8-mile section of the trail to be complete at the end of September.

During October, the crews will be working to complete the Black Mountain to Ozone Falls segment.

Please look for an update to the Obed Wild and Scenic River trail map by visiting [www.cumberlandtrail.org](http://www.cumberlandtrail.org).

Cumberland Trail Maps are also available through the Cumberland Trail State Park website <https://tnstateparks.com/parks/cumberland-trail>.

## Murfreesboro Chapter – con't.

**Oct 16-18 - Joyce Kilmer Memorial Forest in the Nantahala National Forest, Robbinsville, NC. Camping and hiking weekend.** Rattler Ford group campsite near Robbinsville has been reserved. Facilities include a rustic bathhouse with flushing toilets, running water and shower. The bathhouse will be shared with other campers-not just our group. Saturday's hike is to the Hangover via the Wolf Laurel trailhead. The Hangover is a rocky outcropping that offers panoramic views of the forest below in all directions. This hike will require an 8 mile forest service road drive and we'll need to carpool because parking is limited at the Wolf Laurel trailhead. **REGISTRATION FOR THIS EVENT IS NECESSARY** because of the limited spaces at the campsite and the fluid situation concerning COVID 19 closures. This is a 6 mile out and back hike and we can add mileage to Stratton and/or Bob Bald if we want to. Elevation change roughly 800 feet. Sunday those who want to kayak - Lake Santeetlah is very close by. For those who'd prefer to hike, there are lots of other trails in the area as well. For more information or to sign up contact Jan Safavi at 615-390-9146 or [safavi.jan@gmail.com](mailto:safavi.jan@gmail.com).

## President's Corner

These uncertain times have limited many aspects of life as we live with social and physical distancing. Supporting our 56 state parks, trails and waterways has been more important than ever. There are so many beautiful oases in Tennessee and we don't have to migrate to Vermont to see the explosion of color. Rhythms of life and seasons are reflected by the nature around us and reminds us everything will be okay.

Due to the cancellation of the 2020 Annual TTA Meeting business has to be handled differently but TTA members know to roll with the flow. You will be receiving an email via Survey Monkey to vote for 2021 Board of Directors. Every election is determined by the people who vote so please respond. Vote. Let your voice be heard.

I am in Texas for an extended period and here they don't experience our typical fall. While Tennessee leaves are beginning to change colors and jackets have come out of hiding, I'm still trying to escape the heat.

Appreciate Tennessee's beautiful sanctuaries. Connect with nature by watching birds and wildlife. Take a sunset walk. Sit quietly outside listening to life.

Thank you for promoting the development of a state wide system of hiking trails. Thank you for volunteering your time and energy to build and maintain trails on both public and private land throughout Tennessee. Thank you for participating and supporting in your club's activities

THANK YOU for being a member of Tennessee Trails Association.

### **Oct 1 - Burch Reserve, Warner Parks, Nashville TN.**

8.am. A Moderate 3 mile hike that has a bit of everything. Wide paved road to rocky single track with both level and hilly portions. This is the newest trail in the Warner parks and is less peopled than the other trails (and parking should be easier as well!). As the leaves start falling we will get some pretty valley views. There's about 400' in elevation gain and descent. Limited to 10 so RSVP early. Please provide cell phone in case of weather cancellation. RSVP to Niola Cusati: [niolac@gmail.com](mailto:niolac@gmail.com) or text 408-455-2472.

**Oct 4 - Weekend Ender: Edwin Warner Park Nature Center, 6-730 pm. 3.5 miles.** End your weekend right with a brisk hike at this popular park with both wide paved trails and single tracks thru the hills. Our loop will take us on both. We will enjoy the fall foliage in the scant light that this time of day affords. Please provide cell phone in case of weather cancellation. RSVP to Niola Cusati: [niolac@gmail.com](mailto:niolac@gmail.com) or text 408-455-2472.

**Oct 7 - Winding Stairs Park, Lafayette, TN.** This city park is about an hour north of Nashville and has deep gorges and waterfalls. The Winding Stairs Trail is a moderate 1.6 mile loop. We'll combine it with the Milk Pail Trail for an additional 1.7 mi. For more mileage, we can reverse the loops. Bring hiking sticks and water shoes, depending on rainfall. Meet at the Winding Stairs parking lot at 8:00 am. Register with Kathy Woods, 615-473-6824 or [kwoodz@comcast.net](mailto:kwoodz@comcast.net).

**Oct 9 - Larkspur Conservation at Taylor Hollow with option for Bledsoe Creek State Park, moderately challenging for elevation changes and terrain.** The non-profit Larkspur Conservation at Taylor Hollow is a largely forested site for natural burials that is under the protection of The Nature Conservancy. We'll meet at the Larkspur parking lot at 8:30 am and hike 3-4 miles depending on trail conditions. After lunch, those interested will caravan to Bledsoe Creek and hike roughly 3 additional miles. Pack a lunch and snacks for the trail and bring plenty of water, sun protection, and bug spray. Caravanning is possible if there is interest. Current TTA COVID-19 guidelines apply; please register for this hike with Mark Hubbard at [mark.hubbard@mhhub.us](mailto:mark.hubbard@mhhub.us) or 615-715-1517.

## Nashville Chapter – con't.

**Oct 16 - Ellington Agricultural Center, Nashville, TN. 4 miles. Easy.** We will walk the trails and paved roads of the grounds of the Ag Center. There is much to see at this often overlooked "park" in the midst of our city. Perhaps the horses that metro police stable here will be out in the pasture. There always seems to be something in bloom and the landscaping, along with the period architecture are of interest. On our walk we will circle a working farm, pass by a creek and honey bee apiary; the award-winning iris garden (unfortunately not in bloom), and the agricultural museum, which will be open. Hiking boots are not necessary. Good walking shoes will be fine. Bring water and a snack if desired. TTA COVID guidelines apply. Contact Nancy Juodenas at 615-319-8811 (leave message or text), or [njlj1011@gmail.com](mailto:njlj1011@gmail.com) for more information and to register.

**Oct 23 - Naturalist Walk at Montgomery Bell State Park, Burns, TN. Ore Pit and Wildcat Trails 2.7 easy miles.** Meet at the Park Office /Visitor Center at 3 pm. Join Randy Hedgepath for a walk through a beautiful mature forest and learn the Iron Industry history of the area. We will also cross Church Hollow and learn a little church history too. Creech Hollow and Wildcat Hollow Section of MB Trail. 6 easy miles.** Join Randy Hedgepath for a walk along the ridges of the Montgomery Bell State Natural Area, described as one of the best examples of the Oak-Hickory Forests of the Western Highland Rim. We will walk along the beautiful clearwater streams in Wildcat and Creech Hollow and along the shoreline of Creech Hollow Lake as well. This is one of the most interesting hikes in the park. Group size is limited to the first 15 to sign up. This is a leisurely paced educational walk with lots of stops to learn about the natural and cultural features along the trail. For more information and to register, contact Libby Francis at [LibbysLibbys@comcast.net](mailto:LibbysLibbys@comcast.net) or 615-319-7501.

**Oct. 24 - Montgomery Bell State Park, Burns TN. Overnight Trail. Not a nature hike: This is a strenuous hike due to the length of 10.5 miles.** Wooded terrain with some hills. The trail passes by several lakes, a historic cabin and church, and historic iron ore pits. Bring water, snacks/lunch, boots, and clothing appropriate for the weather that day. Email Doug Burroughs at [dougburroughs@tennessee.usa.com](mailto:dougburroughs@tennessee.usa.com) for more information and to register. Our clubs have had great meetings and provided consistently excellent programs. TTA Board of Directors held their scheduled board meetings, two in person and two via zoom. Thank you ALL for everything you do.
