**Mission:** To promote, construct and maintain a statewide system of hiking trails, and to work for the conservation of natural resources inherent to this objective. *Sponsor for the Cumberland Trail.*

## DON'T FORGET... ANNUAL MEETING WEEKEND

November 5-7, 1999 Dubose  
Conference Center Monteagle TN

The meeting will begin with dinner Friday night and conclude with Sunday afternoon hikes. Events scheduled include a bake sale (you can buy your snacks for the entire weekend as early as Friday evening); a bonfire and entertainment Friday night (please bring instruments for joining in the entertainment); two full days of hiking; dinner, entertainment, membership meeting and an auction Saturday night (bring \$\$\$) and our Board meeting on Sunday (members are welcome to come and participate).

Based on input received at this past August's Quarterly Board meeting we focused on obtaining higher quality auction merchandise, some of which includes outdoor gear. We'll still have the "white elephant" items for sale on the bargain tables, with a few items reserved for entertainment value during the live auction.

**Christmas is less than 75 days away so come prepared to spend some money!!!**

Keep in mind all of the Auction proceeds go to help fund the Cumberland Trail Breakaway 2000 Program.

(see page 2 for agenda specifics)

## **Volunteer Break Weekend Cumberland Mtn. State Park November 12-14th**

Following-up on last year's successful volunteer weekend, we've reserved cabins at Cumberland Mtn. State Park for Friday and Saturday evenings. We will spend Friday, Saturday, and Sunday building and revitalizing the Cumberland Trail on both the Obed and Grassy Cove Segments. The evenings will be full of friends, fun, food, and music. Carolyn Miller and Arleen Barnett will display their "dulcimer" talents. If you play any instrument, be sure to bring it along. Reserve your space soon!

To join this outing, please contact Rob at 423-533-2620 (robweber1@prodigy.net), or Arleen at 931-707-8333 (abarnett@usit.net)

## NATIONAL PUBLIC LANDS DAY 2000

### September 25 Event Report

The 1999 National Public Lands Day event at Big South Fork was held September 25, 1999. The weather was beautiful, sunny with temperatures ranging 40 in the morning to 70 by the afternoon. A total of 14 volunteers (but no TTA members) turned out to help on rehabilitation of trail tread and cleared vegetation on the Angel Falls Overlook trail. This national park area has 370 miles of trails, but has not had good success in attracting hikers as volunteer trail stewards. TTA hopes to use the event to help demonstrate hiker support to park management. This year there was good publicity prior to the event, including a number of newspapers and radio stations within a 75 mile radius of the site. A web site, [www.npld.com](http://www.npld.com), with national sponsorship (Toyota, Outdoor Life Television, REI, BHP, National Environmental Education and Training Foundation, and Leave No Trace) and two Nashville radio stations (Lightning 100 and Phoenix 93.) provided public service announcements. Participants received free food, a certificate, and a poster of the Appalachian Trail in Virginia suitable for framing. Because of the importance of the Big South Fork to Tennessee hikers, and the closeness to Knoxville, Crossville, and Cookeville, next year we hope to attract some TTA members. If anyone wishes to help in recruiting volunteers and local business sponsors, please call me. Mark your calendars for Saturday, September 23, 2000.

## **NEW LICENSE PLATE SALE SUPPORTS STATE PARKS AND NATURAL AREAS!**

One of the greatest threats to natural resources in Tennessee is development within ecologically sensitive areas. Help support Tennessee's natural areas and state parks by purchasing a new natural areas license plate. Prominently featured on the plate is Radnor Lake, one of Tennessee's first state natural areas. Proceeds from the sale of this plate will create a unique opportunity to acquire critical lands for the protection of natural areas and state parks all across Tennessee. Your support will help to insure the future of these important areas. Plates will be ready beginning in the year 2000. The initial cost of the natural areas plate is \$35 (\$25 annual plate fee with a one-time handling fee of \$10). The initial cost of the personalized natural areas plate is \$60 (\$50 annual plate fee with a one-time handling fee of \$10). The State of Tennessee requires an order of 500 natural areas plates before January 1, 2000, to initiate this program. Order early; your plate will be pro-rated when it is received. If we do not receive 500 orders, your payment will be refunded. Purchasing this plate will not affect your current license plate; and your tag does not have to be expired to receive one. When your new plate arrives, it will serve as a replacement for your current plate and will not change the base licensing fee for your county. Order yours now and start the millennium by supporting Tennessee's state parks and natural areas. For more information or an order form please contact: Radnor Lake State Natural Area, 1160 Otter Creek Road, Nashville, TN, 37220. Phone 615 373-346; or visit their website [www.radnorlake.org](http://www.radnorlake.org)

### **TTA Officer Nominations for 2000**

Each year, at the annual meeting, the TTA membership elects five officers for one-year terms, plus one at-large board representative for a three-year term. The TTA Board of Directors, acting as a nominating committee, offers the following names as candidates for officers for the calendar year 2000: Libby Francis for President, Leigh Jones for Vice-President, Patti Shaw for Secretary, James Leininger for Treasurer, and Ninez Giles for Membership Director. Jerry Lenski is nominated for the three-year term as the at-large representative for West Tennessee. Elections for these positions will be held on November 6 in Monteagle. Additional nominations will be accepted from the floor.

While the officers are elected for one-year terms, it has been a tradition in recent years that the President serves two terms, and that the Vice President serves as a de-facto President-elect. However, because of her new commitments and responsibilities as a full time employee of the Cumberland Trail Conference, Arleen Barnett, current TTA Vice President, asked the board not to consider her as a candidate for President. Accordingly, the board has nominated Libby Francis as candidate for President for 2000. Libby has been very active in TTA in various capacities for a number of years, most recently as Middle Tennessee at-large board representative and has been heavily involved in chapter development projects. Leigh Jones, candidate for Vice President, has been heavily involved in the activities of both the Plateau chapter and the CTC. Jerry Lenski, from Memphis, is a relatively new member of TTA, but is very excited about the job of at-large representative and is looking forward to the challenge of encouraging the growth of additional chapters in the western part of the state. Patti, James, and Ninez are incumbents in their respective positions and are expected to continue their records of outstanding service to TTA.

## NASHVILLE NEWS

Dave Walton 615-646-5355

**MEETS:** 4<sup>th</sup> Tues, 7pm, Radnor Lake Visitor's Center, Granny White Pike **Hiking Hot Line 615-367-7045**

Nov 13 Narrows of the Harpeth. This short hike of not more than 2 miles with some climbing and a breathtaking overlook was rained out in October, so it has been rescheduled. Hike coordinator, Dave Walton, will provide historical background of this area. Call Dave at 615-646-5355 to register, and plan to meet at the Circuit City parking lot in Bellevue at 8 am.

Nov 14 Rock Creek Loop. If you have never been to the Big South Fork, register for this one. It is 7 miles, rated moderate, and being lead by Jim Poteet. Call Jim at 615-824-7666 to register and plan to meet at the Kinko's on Donelson Road at 8am.

Nov 14 Beaman Park Hike. The gate is up and has been dedicated, but it is still necessary to have a permit to hike in this park. Forrest Evans will be leading this hike that starts at 1pm. Space is limited, so register early by calling Nancy Dorman at 615-229-9586.

Nov 20 Mammoth Cave Floyd Collins Theme Hike. This is approximately a 7 mile hike on a variety of surfaces (gravel roads, off trail) and is rated moderate. We will be visiting sites that were important in the life (and death) of Floyd Collins. Call Anne Wesley at 615-851-1052 for meeting time and location.

## NASHVILLE NEWS

(cont from bottom pg 5)

Nov 20 Honey Creek. Substantial 5-mile hike in the Big South Fork National River and Recreational Area. The hike includes overlooks, waterfalls, rock houses, stream crossings and stream walks. This is a very scenic area with constant change in topography. The hike requires crawling over and under rocks. Hiking boots required. Could be adventurous if raining. Bring water and lunch. This is a joint hike with the Chattanooga Hiking Club. Departs 6:30am CST. Please pre-register with James Leininger. Phone 615-309-8611, or email jwleiningr@aol.com

Nov 21 Cardwell Mountain. Charlie and Jennifer Hann will lead this hike of 5.5 miles, rated moderate, along a portion of the Trail of Tears near Cumberland Caverns. Enjoy hardwood forests, mighty sandstone cliffs, and significant elevation change. The trail is located outside of McMinnville, so pack a lunch and water. Meet at I-24 and Bell Road in the Target parking lot at 7:30am. Call 615-941-1503 to register.

Nov 23 MONTHLY PROGRAM MEETING! Quick! Name the Middle Tennessee trail system most under-used by TTA hikers! (For many, this is a trick question---you can't name it if you don't even know about it). That would be Bowie Nature Park in Fairview. Would it surprise you to learn that the park contains 17 miles of trails? Also, a picnic area, playground and a lake suitable for fishing? Additionally, among the park staff is Melissa Bell. She's a biologist by trade and a friend to any and all hikers in her domain. She has much to show and tell and will do so 7:30pm Radnor Lake Visitor's Center.

Nov 26 (Day after Thanksgiving) Warner Woods/Percy Warner Park. Guerry Jameson has volunteered to lead an easy, 2.5 mile hike for those who have the day after Thanksgiving off. We will meet at 10am at the park gate at the end of Belle Meade Boulevard. Register by calling Guerry at 615-889-4159.

**HERB KNEELAND IS NEW EAF BOARD REP!** On top of that, he's a new Nashville Chapter member. Talk about jumpin' right in! Herb will attend the monthly meetings of the Environmental Action Fund, making our concerns known to them, and keeping us informed as to EAF's efforts. Good man!

**LONG HUNTER WORK DAY  
RESCHEDULED  
Saturday, November 6**

The original date was a rain-out, unlikely as that sounds. Meet at 8am in the parking lot near the Volunteer Trail Trailhead. No experience required, just a lot of want-to! Bring a lunch, water, hand pruners and/or trail tools. For more information or to pre-register, call Elaine Hackerman at 615-298-5929.

**HIKE REPORTS**

On Sept 18 Nine people came to the Burgess Falls hike and meeting. There was lots of water still going over the falls despite the very dry weather. We did hike planning for the rest of 1999 and enjoyed delicious hot dogs grilled to perfection by the men.

On Sept 30 Six people from the hiking club went on an unscheduled hike at Laurel Falls. There was barely a trickle of water coming over the falls, but it was a spectacular autumn day. We sure did enjoy being outdoors and the wonderful views.
