

Moisture wicking short sleeves t-shirt- \$20.00 + \$4.50 SH

This shirt is great for hiking in warm weather or under layers when the weather is cold. The moisture wicking ability of this shirt allows hikers to stay cool in the summer and warm in the winter. Built-in anti-microbial, anti-stain features and the fastest drying time in the industry make this shirt a favorite of any outdoor enthusiast. "Cumberland Trail State Scenic Trail" printed brown on left pocket area on the front of the shirt and the back of the shirt carries the brown CT trail sign.

Color: light sage green

Sizes: small, medium, large, and extra-large

17oz BPA free, stainless steel water bottle- \$15.00 + \$4.00 SH

This bottle is an eco-friendly alternative to throw away water bottles. This durable lightweight stainless steel water bottle will help keep cool drinks cooler much longer than plastic. The bottle's wide mouth enables users to put in ice cubes and makes cleaning easier. The top features an attached carabineer for clipping onto belt loops and backpacks.

15oz coffee mug-\$8.00 +\$7.50

Our large ceramic coffee mug won't leave you wanting for more coffee anytime soon. This size also easily holds soup. The large handle comfortably fits large hands. Show your support and love of the Cumberland Trail State Scenic Trail in the office and at home with this solid mug.
