## HOW BEST TO AVOID INSECT BITES

A fact about enjoying summer outdoor recreation is the need to avoid bites of insects that may cause unpleasant reactions and disease. Bites of ticks and chiggers can be decreased by avoiding contact with brush and tall weeds, as in bush whacking, and wearing clothing that has been treated with permethrin. The number of insect bites can be lessened by reducing the area of skin open to bites by wearing head cover, long sleeved shirt and long pants and for ticks, with elastic bands at wrists and ankles. Painful deer fly and black fly bites to face and ears are best avoided by using a broad brim hat with a web net.

Since mosquitoes that bite only at night have been joined by ones that bite in the day time and carry Zika virus, protection from them by use of chemical repellants is strongly recommended. Because customer protective laws have been gutted, there are many ineffective products being advertized. The web at CDC shows four approved insect repellants and their duration of protection. Generally the greater concentrations give longer protection but only mild strengths should be used on children and reapplied each hour. Products containing DEET, reported to have rare mild side effects, are readily available and are the most used in the USA. More widely used in Europe, Picardin products are more pleasant to use, safer and comparatively effective. For more information check the web, at CDC and Consumer Reports "mosquito repellants".

**2016 TTA Annual Meeting!**  
**October 28-30**  
**Pickwick Landing State Resort**  
**Park**  
**Pickwick Dam, Tennessee**

The Jackson & Memphis Chapters would like to invite you to attend the 2016 Annual Meeting. This year we'll meet in the beautiful surroundings of Pickwick Landing, a riverboat stop dating from the 1840's. The Inn and Conference Center overlooks the beautiful Pickwick Lake and all 119 rooms have a picturesque view of the lake. For anyone not familiar with Pickwick Landing State Park it's located just south of Pickwick Dam, 12 miles south of Savannah in Hardin County. Accommodations in the park include a modern Inn and Restaurant, cabins and camping. The park contains 1,400 acres forested hills and hollows.

**Welcome...**first THANK YOU to everyone for their volunteer leadership over the past year...it is only on the strength of adult and student volunteers that we accomplish the task of building the CT. Hosting our Spring BreakAway and Spring and Fall Big Dig's (that is 16 weeks!) creates plenty of volunteer needs. Additionally, TTA and CTC are driving two paid trail crews, the Central and Southern, with Justin P. Wilson and Lyndhurst Foundation as partners. Plus, don't forget CTC will embark on a new frontier as we begin to study, catalog, and rank all of the east/west trail connectors to the CTSP. As a new non-profit organization we have plenty of needs and I've highlighted those below. Contact Marianne at [ctcoffice2014@gmail.com](mailto:ctcoffice2014@gmail.com) to help or ask any questions.

Rob Weber, CTC Chairman

**CTC Needs...**

**Volunteers Trail Builders.** Join our seasonal BreakAway and Big Dig programs and the daily activity of the Central (working in Crab Orchard on Daddy's Creek) and Southern (working in Graysville in McGill Creek Gorge) Trail Crews. raining always provided and housing available during program times. Consider becoming a certified **WagonMaster**, leading a group of 8-10 volunteers, with all trail training and CPR/First Aid provided by CTC.

**Camp Moms/Camp Dads.** Spend a week providing leadership and guidance to both our adult and university volunteers and build lifelong friends. Fall Big Dig 2016 and BA 2017 are close at hand with plenty of slots available.

**Communication/Presentation.** We are looking for volunteer members to form a working group to present CTC and our efforts to their community, both in presenting pre-prepared PowerPoint presentations and to help write/publish local press releases. CTC has an open Board position, Chair of the Communication Committee.

**Connector Program Leadership/Community Field Team Members/GIS.** Have an interest in planning, studying, and exploring new trail corridors? CTC will be fielding numerous community teams to study routes to link our communities to the CTSP. Called the Connector Program, much of this work will be done from maps on your laptop and exploring the local back roads. Watch for local organizational meetings late summer in the Crossville/Fairfield Glade & Oak Ridge/Kingston areas. Have GIS experience, let us know.

**Central Trail Crew Position.** Immediate need for a part-time crew member currently working on Daddy's Creek north of Crab Orchard: \$10.00/hour, Cumberland/Rhea County.

### Excellent Volunteer Opportunity!

At the end of 2016, the Board of Directors will be looking for someone to serve as TTA's statewide Secretary. This is a great volunteer position (get the inside scoop on what your hiking club is doing) and an excellent opportunity to serve on the Board of Directors. We are soliciting names of interested people now so that a candidate can have several months of introduction before assuming office.

No "professional" experience is required; however, you must have: (1) internet access (preferably at your home), (2) basic computer skills, (3) an organized filing system for maintaining records, (4) a small amount of storage space (currently there are 3 stacking file boxes containing minutes and other archival documents from 1976 to current; one box is half empty with room for several years of records), (5) the ability to attend quarterly board meetings, and (6) a willingness to devote approximately five hours before and after each board meeting (recording and circulating meeting minutes).

C'mon whatyathink? Really, this truly is a fun, but important, position, and does not require a huge amount of your time. For more details, contact the nominating committee or Diane Manas at 615-351-6431 or *DManasHikes@comcast.net*.

## ELECTION TIME

Officer elections for 2017: officers are elected annually by the members in attendance at the general membership meeting. For 2016, the general membership meeting is on Saturday evening, October 29 at Pickwick State Park.

The term of office is from January through December. The TTA officer positions are President, Vice President, Secretary, Treasurer, and Membership Director. If you want to serve on the TTA board, please consider serving as an officer or chapter chair.

**Jul 16 - Round Top Trail and picnic at Metcalf Bottoms, Great Smoky Mountains National Park.** Led by Robby Paul and Karen Towle. Enjoy the solitude of one of the least-used trails in the park. Meet at the Townsend Wye at 8:30 am ET. We will shuttle from there to the Metcalf Bottoms Round Top Trailhead. One way hike, 7 1/2 miles, back to the Wye, with an elevation gain of 900 feet, rated moderate, where we will wade across the Little River, and return to the Metcalf Bottoms picnic grounds. Restrooms are available for changing out of wet clothes. The club will supply hotdogs, buns, condiments, utensils, and paper products. Please bring your own drinks and a dish to share! Also bring wading shoes, water, trail snacks, and hiking sticks. Pre-register with Robby Paul at 865-850-1503 or *robbypaul@hotmail.com*.

**Jul 9 - Prentice Cooper State Forest, Marion County. Section of Mullens Cove Loop Trail. Hike to Snoopers Rock and back, starting at Mullens Cove trailhead. 6.8 miles. Easy to moderate.** This hike offers views of the Tennessee River Gorge, rock bluffs and cascading streams. The bare rock promontory of Snoopers Rock offers a wide view of the Tennessee River Gorge. We will organize a carpool in Monteagle. Please email Joan Hartvigsen *jhartvigs@comcast.net* or call 931-962-0811 to register.

**Jul 16 – Duck River Float from below Normandy Dam to Dement Bridge. 5.2 miles, approximate. Joint float with the Murfreesboro Chapter.** Meet at 9:00 am CT at put-in below Normandy Dam to organize a shuttle. Portage around Cortner Mill Dam required. We will eat our packed lunch at Cortner Mill Dam after the portage. Contact Tom Bentley to register. *htbentley@lighttube.net* or 931-455-5849. Normandy Kayak Rental rents canoes and kayaks. Front Street, Normandy, TN. 615-925-9767 or email *normandykayakrental@gmail.com*. Reservations required to guarantee availability. Naullain Kendrick may be able to lend a kayak, *naullain@hotmail.com*.

**Jul 23 – Franklin State Forest, Sewanee, TN. Sweden Cove Rim Trail, Tom Pack Falls Trail and more. Six to eight miles. Moderate.** Marietta Poteet will lead hikes along several trails in Franklin State Forest, including Tom Pack Trail and Sweden Cove Rim Trail. As this is a July hike, we will need to bring lots of water. Also bring snacks and lunch and wear sturdy hiking boots. Please call Marietta at 931-924-7666 or email at *nannietta@blomand.net*.

**Jul 25 – Chapter Meeting.** Dinner at 5:00 pm Las Trojas Mexican Restaurant, 1905 N. Jackson Street, Tullahoma, near Kroger. Meeting is 7:00 pm at D. W. Wilson Community Center. Marjorie Collier, member of the Historic Preservation Society of Tullahoma, will present the program “Up and Down the Dixie Highway”.

**Jul 30 - Short Springs Work Day.** We will continue work on steps on Machine Falls Loop Trail near the junction with Adams Falls Trail. We will also paint blazes on trees on the Laurel Bluff Trail. Contact Tom Hartvigsen *thartvigs@comcast.net* or 931-962-0811 to let him know you can help.

## Highland Rim Chapter – con’t.

### Planning Ahead:

**Aug 26-28 – Whitewater rafting, “flatwater” kayaking and camping weekend.** Camp at Gee Creek Campground, Campsite G6 August 26 and 27, Hiwassee/Ocoee Scenic River State Park. Whitewater rafting on Ocoee River Aug 27. Folks not planning on whitewater rafting on Saturday can hike in the Cherokee National Forest. Potential hikes are the Oswald Dome Hike near Reliance, TN, Big Frog Wilderness Hike near Ocoee Dam #3 and the Old Copper Road Trail which begins at the Ocoee Whitewater Center. Sunday, we will use our own kayaks to paddle the lower, “quieter” section of the Ocoee River. Contact Naullain to borrow a kayak. Contact Joan Hartvigsen soon to reserve space at the campsite, *jhartvigs@comcast.net* or 931-962-0811 and to inquire about the Saturday hike. Contact Naullain Kendrick soon to reserve a spot for whitewater rafting on the Ocoee River on Aug 27, *naullain@hotmail.com*. Friday evening we will share a potluck dinner at the campsite. Saturday evening we will eat at a restaurant.

**Oct 7-9 - Camping at Chickasaw State Park, Henderson, TN.** Paddling in the Ghost River State Natural Area, near La Grange, TN. Ghost River State Natural Area is a 2,200 acre section of the Wolf River in Fayette County. The natural area includes approximately 14 miles of the Wolf River beginning from the parking area near La Grange to just west of Bateman Road Bridge near Moscow, TN. The Ghost River section of the Wolf meanders through bottomland hardwood forests, cypress-tupelo swamps, and open marshes. Some of the most impressive trees are large oaks that include cherrybark, water, willow, and swamp chestnut. The Ghost River provides excellent habitat for rare aquatic organisms and unique opportunities for observing birds and other wildlife. The paddle is 9 miles and should take about 6 hours. Sunday morning we will visit nearby Pinson Mounds State Archaeological Park. Contact Naullain Kendrick at *naullain@hotmail.com* early to reserve space in one of the campsites.

## SEEKING NOMINATIONS FOR ANNUAL AWARDS

TTA is seeking nominations for awards to be presented at the annual meeting in October. We annually present the Tennessee Trails Award and the Bill Stutz Awards. The Bob Brown Lifetime Achievement Award is awarded periodically to those with a lifetime of leadership and extraordinary contributions.

Please send written nominations for the TTA awards to a member of the nominating committee (Doug Burroughs, Carolyn Miller, or Sara Pollard) one of the chapter chairs or to one of the TTA officers. Nominations should include contact information for the person making the nomination, a full name and address of the nominee and a paragraph stating why the person should be nominated for the award.

**Tennessee Trails Award.** This award is presented for outstanding contributions to the Association or for the furtherance of trails and natural resource programs and opportunities within Tennessee.

**Bill Stutz Award.** The Association gives this award in honor of the late Bill Stutz, past TTA member and beloved hiker. Any chapter (or voting member) can make a nomination to the Board for the recipient of this award. The award is to be presented to an active hiker for his or her individual contribution to the Association or one its chapters.

**Bob Brown Lifetime Achievement Award.** The Board of Directors of the Association established this award to honor the extraordinary lifetime leadership and personal contributions of Bob Brown to hiking and conservation in the State of Tennessee. The Board may give a Bob Brown Award from time to time to others for lifetime leadership and contributions that it finds equally extraordinary.

**Jul 9** – Be prepared to get wet! We will visit one of the nation's best swimming holes on at **Cummins Falls**. This park is located 9 miles north of Cookeville. Pack a lunch to enjoy while visiting one of Tennessee's newest state parks. Bring sturdy shoes and plenty of water. This hike will be around 3 miles and has steep and uneven terrain. There will be water crossings and slippery rocks as well. Please note, no floats are allowed at the park. Only life jackets can be used at the swimming hole. Contact Danielle Barrett at 423-327-7704 or [dn.harrell@yahoo.com](mailto:dn.harrell@yahoo.com) if you are interested in the hike. We will meet in the Kroger Parking lot at Lascassas Highway at 8 am.

**Jul 12 - Chapter Meeting.** After the business meeting, we will take a short walk from the Wilderness Station to the West Fork Overlook on the Stones River. This easy trail is paved and is approximately 2 miles round trip. Wear comfortable shoes and invite a friend to join us.

**Jul 16 – Duck River Float. Joint activity with the Highland Rim Chapter.** Approximately 5.2 miles from Normandy Dam to Dement Bridge. Meet at 9:00 am CT to put in below the dam to organize a shuttle. There is a portage around Cortner Mill Dam. Pack lunch to eat at Cortner Mill Dam after the portage. Normandy Kayak Rental has canoes and kayaks - 615-925-9767 or email [normandykayakrental@gmail.com](mailto:normandykayakrental@gmail.com). For more information or to sign up, contact Sara Pollard at 615-714-3610 or [sarabpollard@gmail.com](mailto:sarabpollard@gmail.com).

**Jul 31 – Montgomery Bell State Park. Southwest Loop. 6.9 miles. Moderate.** Montgomery Bell State Park is located near Dickson. The park is named after Montgomery Bell where the park was once the center of an iron industry in Middle Tennessee. The site of the first Cumberland Presbyterian Church is located in the park and this trail passes a replica of the founder's log cabin. We'll see the natural beauty of Hall Spring, Lake Woodhaven, and Creech Hollow Lake. Pack lunch, snacks and plenty of water. This loop hike has plenty of places to stop, linger and enjoy nature and history of the area. For more information or to sign up, contact Sara Pollard at 615-714-3610 or [sarabpollard@gmail.com](mailto:sarabpollard@gmail.com).

## Vital Liquid

Pure water is vital to health. Our bodies cannot store water, so we must drink constantly. The need for water is driven by temperature, metabolism and work. Our bodies perspire to control the body's core temperature during exercise, such as hiking. Water is also needed by the body for breaking down and metabolizing our food intake. Even while resting, we can lose 4 pints (2 liters) of water per day just through normal perspiration, urination and breathing.

Hiking is a strenuous activity, and adequate hydration is crucial for optimal performance and health.

How much water to drink? Drink frequently, between 1 to 2 cups of water per hour and before you feel thirsty, to avoid dehydration. (A good sign that you've drunk enough water - clear urine! Cloudy or colored urine indicates the need to drink more.) You can be slightly dehydrated and not feel thirsty. The signs and symptoms of dehydration may include fatigue, flushed skin, headache, dizziness, chest pain, irritability, feeling tired, and cramps. Extreme cases of dehydration could lead to death.

If you've run out of water, and as long as you're close to a water source, most water can be made fit to drink. Never assume the water source to be safe - even if the water is fast flowing, crystal clear and cold. How you purify your water is a matter of preference; however, some methods are safer than others.

One of the most reliable methods of purifying your water is to boil it. This requires a heat source and a container to boil the water – items not common to a day hiker's backpack. Another effective treatment is to use purification tablets (iodine). They are lightweight and easy to use. One pill purifies one quart of water in about 10 minutes. A drawback to iodine tablets is the bad taste it leaves in the water. However, neutralizer tablets placed into the water after the purification process will eliminate the iodine aftertaste. Finally, there are filters. Water is hand pumped through a narrow intake hose, where it passes into a filter assembly for purification, then exits ready to drink. Filters don't leave a bad aftertaste, weigh as little as ¾ of a pound, are easy to use and remove a wide range of contaminants; both organic and inorganic.

For a day hike you may not need to consider utilizing any of the above water treatment processes – just be sure you have plenty of water for the hike, and enough to get you back into civilization.

**Jul 16 - Ross Forest Registered State Natural Area, Savannah, TN.** A rare opportunity to see some special places! This hike is being conducted by the good folks of Tennessee State Natural Areas and you must register for this hike with Loretha Legette at 615-532-0431 or [loretha.legette@tn.gov](mailto:loretha.legette@tn.gov) by Jul 12 in order to attend. A \$10/person fee is being charged for this hike, payable by credit card when you contact Loretha by phone. Nora Beck will coordinate travel from the Nashville area for this hike. Once you've registered, contact Nora at [norellbee@gmail.com](mailto:norellbee@gmail.com) or 615-517-6486 for Nashville-area logistics. If there is interest in travelling on Friday and camping closer to the hike meeting place, let Nora know. This hike will be 3-4 hrs. long, rated moderate. You will need plenty of water, plus food & sturdy shoes, sunscreen and insect repellent. While of course we can expect heat, we will be in shade most of the time. Excerpted from TN SNA's announcement: "The Ross Forests Partnership Lands property is located in Hardin County The original farm was purchased by John Ross's great-grandfather in 1881 and passed to his father who expanded the holdings. Botanists identified four sites that qualify as Registered State Natural Areas due to the presence of state and federal listed plant and animal species." If you have an interest in geology, you will get to see some really interesting examples of various features on this hike. (Be sure to attend TTA Nashville's July program as well.) The complete description for the hike at Ross Forest is here: [https://tn.gov/assets/entities/environment/attachments/na\\_events-2016.p](https://tn.gov/assets/entities/environment/attachments/na_events-2016.p)

**Jul 23 - Honey Creek/Big South Fork National Recreation Area, Near Rugby TN.** This is a strenuous hike through creeks, over boulders, and up steep and rugged terrain. But, there will also be great overviews, waterfalls, and interesting geological features. Bring water, snacks/lunch, waterproof boots with ankle support, and clothing appropriate for the weather that day. There is an option after the hike to stop for food somewhere along the road back to Nashville. The total time commitment could be up to 12 hours: Driving up, hiking 5 slow miles, dinner, and then driving back. Contact Doug Burroughs at [dougburroughs@tennessee.usa.com](mailto:dougburroughs@tennessee.usa.com) or leave a message at 615-587-0085 for more information and to register. Meeting Place: Parking lot just north of the FedEx/Kinko, 540 Donelson Pike Nashville 37214. Just north of I-40. Meeting Time: 7:30 am.

## Nashville Chapter – con't.

**Jul 26 - Monthly Meeting.** Tennessee has a fine variety of hiking trails in varied terrain, from the intriguing lowlands of the Mississippi coastal plain to the rugged hills and mountains of Big South Fork, the South Cumberlands and the Smokies. One major reason for this diversity is Tennessee's geology. The landforms that hold us up also hold fascinating history and prehistory. There's no one better to tell us about our state's geological story than our State Geologist - Ron Zurawski. Bring friends!

## GUIDELINES FOR SUBMITTING HIKE INFORMATION

When submitting monthly hike listings, please include the following information:

Date, trail name, location (Park, City, State), mileage, rating (easy, moderate, etc), hike description (what you may expect to see, elevation changes, obstacles that affect the hike rating), what to wear or bring, meeting time and location, and hike leader's contact information. Please identify any hikes that are multi-chapter events. Please DO NOT format the submissions (avoid bold, italics, underlining or colored text), as this slows the editorial process.

Hike descriptions are strongly encouraged, but not mandatory. A good hike description can encourage members (and prospective members) to try a new hike, but also alerts prospective hikers to outings that may be unsuitable for their level of expertise or fitness.

All submissions should be made by e-mail to [editor@tennesseetrails.org](mailto:editor@tennesseetrails.org). This e-mail address is automatically copied to our webmaster. All submissions MUST be received by the 10<sup>th</sup> of the month PRIOR to the hikes (i.e. February hike listings must be submitted by January 10) in order to be included in the newsletter. Late submissions will be updated on the TTA website, but have no guarantee of inclusion in the newsletter.

We will also be glad to print any hike reports, general chapter news and hike or event photographs as space permits.

---

There is a leaderless hike (typically 5 - 7 miles) every Wednesday morning. For additional information contact Bruce Whitehead at [trailwalker80@gmail.com](mailto:trailwalker80@gmail.com) or 941-716-3620, or visit the Plateau Chapter Blog at <http://ttaplateauchapter.blogspot.com>. Check blog for cancellations or changes before hiking.

**Jul 9 - Big South Fork Ranger Mary Grimm schedules two Centennial Challenge hikes per month.** She will lead a 4.4 mile hike on Laurel Fork Creek. See details for this hike and a schedule of other hikes at: <https://www.nps.gov/biso/planyourvisit/centennial-challenge.htm>.

**No Plateau Chapter meeting for July.**

**Jul 16 – GSMNP Roundtop Trail, Townsend.** This is 7.5 mile moderate car shuttle hike with a major water crossing at the end. After stationing a car at the Townsend Y and assessing the water level of the river, we will drive about 20 minutes to the trailhead on Wears Cove Gap Road just outside of Metcalf Bottoms picnic area. This trail offers solitude as being one of the least hiked trails in the Park. The trail ascends from 1800' to 2600' in the first 2.5 miles then mostly descends the rest of the way to 1200'. Wear hiking boots and bring water shoes for the crossing. Bring water and lunch. Depart from Crossville Outlet Center at 8 am CT. Carpool \$8. Contact Cheryl Heckler at [thehecklers@charter.net](mailto:thehecklers@charter.net) or 931-200-7430 to register and for additional information.

**Jul 23 – Dicks Gap Falls and Big Spring Falls, Big South Fork, Stearns, KY.** This is a 7.2 mile in and out hike that climbs to the scenic Catawba Overlook, passes Dicks Gap Falls and reaches a waterfall in Big Spring Hollow. The 60' Big Spring Falls spills halfway then splashes down on a rock ledge before a second drop into a pool at the base. We have an option to do a separate short easy hike to Split Bow Arch (1.3 miles round trip) and a short easy hike to Bear Creek Overlook (0.5 miles round trip) to a panoramic river overlook. If we add the two short hikes, the hike is a total of 10 miles. If some choose not to add the additional 1.8 miles, we can plan separate carpools at the meeting location. Depart from Cracker Barrel off of I-40 Exit 317 at 8 am CT. Carpool \$7. Contact Cheryl Heckler at [thehecklers@charter.net](mailto:thehecklers@charter.net) or 931-200-7430 to register and for additional information.

Once each year, Tennessee Trails Association members from all across the state gather for a weekend of fun, food, and fellowship. There will be hikes, exhibits, auction and Friday evening entertainment. The Annual Meeting will be held from Friday, October 28, through Sunday, Sunday 30, at the Pickwick Landing State Park and Convention Center, Pickwick, Tennessee. Our hosts for this year's event are the Jackson and Memphis chapters.

**Lodging:**

**Inn Rooms** – The rooms have two queen size beds and are located at the Conference Center, where TTA’s meetings and meals will take place. All Inn rooms have a balcony and picturesque view of the lake. Pickwick Inn gives a 10% discount off the regular inn room rate to all seniors (62+).

**Cabins** – A two-night stay is required and for cabins. The cabins sleep eight and have two bedrooms, each with two queen beds and 1 bath. The cabins also feature a full kitchen, central heat and air, a patio, and fireplace. All cookware, dishes and linens are provided. They are located in a wooded area ½ mile from Pickwick Inn & Conference Center.

**Camping** – There are 48 sites available on a first come, first serve basis. Parked vehicles must not infringe on a neighboring campsite or block the road in any way. All sites have tables, grills, and water and electrical hook-ups 20/30/50 amp electric. A central bathhouse with showers is close by. Campsites are located about 1 1/2 mile from Pickwick Inn & Conference Center.

**Meals:**
